DIY projects to save energy, money and greenhouse gas emissions through: insulating, weatherizing, window treatments, efficient appliances, efficient lighting, and many more innovative and cost effective schemes.. I've include all of the basic "change your light bulbs" type areas, but have also included many off the beaten path ideas that appear to be practical and effective, but not well known.

### Home Energy Conservation - builditsolar.com

Chiropractic is a form of alternative medicine mostly concerned with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. Some proponents, especially those in the field's early history, have claimed that such disorders affect general health via the nervous system, through vertebral subluxation, claims which are demonstrably false.

### Chiropractic - Wikipedia

Radiation therapy is used to treat early stage Dupuytren's disease and Ledderhose disease. When Dupuytren's disease is at the nodules and cords stage or fingers are at a minimal deformation stage of less than 10 degrees, then radiation therapy is used to prevent further progress of the disease.

### Radiation therapy - Wikipedia

ScientificBeekeeping is a not-for-profit enterprise, and I'm happy to receive notes of thanks for how information on this site has contributed to my readers' success at beekeeping (and sometimes saved them hundreds or thousands of dollars).
