Written in conjunction with renowned parenting expert Christina McGhee, this book covers a range of topics about the separation process as well as information about how children are affected and can be helped.

### Separation and Divorce - Helping parents to help children ...

Divorce, also known as dissolution of marriage, is the process of terminating a marriage or marital union. It usually entails the canceling or reorganizing of the legal duties and responsibilities of marriage, thus dissolving the bonds of matrimony between a married couple under the rule of law of the particular country or state. Divorce laws vary considerably around the world, but in most ...

When people separate, they usually need to sort out how to divide their assets (property) and debts. There are various ways this can be done: you and your former spouse or de facto partner can agree on how your property should be divided without any court involvement

### Property and finances after separation - Family Court of ...

Argentina. In Argentina, the legalisation of divorce was the result of a struggle between different governments and conservative groups, mostly connected to the Catholic Church.. In 1888, the Law 2,393 provided that marriage and divorce in Argentina be governed by the State, instead of the Church. The divorce consisted only in the personal separation of the spouses, without dissolving the ...
