The great innovations in dance in the 17th century originated at the French court under Louis XIV, and it is here that we see the first clear stylistic ancestor of classical ballet. The same basic technique was used both at social events, and as theatrical dance in court ballets and at public theaters.

The heart of the eighteenth century Enlightenment is the loosely organized activity of prominent French thinkers of the mid-decades of the eighteenth century, the so-called "philosophes" (e.g., Voltaire, D'Alembert, Diderot, Montesquieu). The philosophes constituted an informal society of men of letters who collaborated on a loosely defined project of Enlightenment exemplified by the ...
