function together. Single-sex classes and single-sex schools are simply options to teach children all about the real world before they actually enter it. If education research establishes single-sex education maximizes achievement, and the education establishment fails to offer even the choice to parents, then that is a gross disservice.

sex and the single teen

Sex and the Single Girl is a 1962 non-fiction book by American writer Helen Gurley Brown, written as an advice book that encouraged women to become financially independent and experience sexual relationships before or without marriage.

Sex and the Single Girl - Wikipedia

A study on sex that goes beyond "just don't do it." Whereas most sexuality studies for singles focus solely on purity—simply offering a “don't do it” or “just wait” message—Sex and the Single Girl presents a broader understanding of what it means to honor God with our sexuality.
