The Ring of O is a specially designed ring which has been worn as a distinctive mark among BDSM practitioners, mainly in continental Europe and especially the German-speaking countries since the 1990s. Its use is relatively widespread within this subculture. Its name derives from the name of the central female character in the classic BDSM novel Story of O (written by Pauline R<sup>age</sup> ...

### Ring of O - Wikipedia

There are a significant number of lenses produced from the 1940s through the 1970s that are measurably radioactive. Main source of radioactivity is the use of thorium oxide (up to 30% by weight) as a component of the glass used in the lens elements. Thorium oxide has a crystalline structural...

Men™s Black Tie at the Oscars 2019. While the 2019 Academy Awards featured some controversy around the ceremony itself "in terms of the lack of a host as well as some of the nominees, winners, and snubs" there were a good handful of bright spots in terms of the men™s outfits. Before we cover the best, worst, and weirdest, here™s a rundown of some of the common trends we observed.
