French cuisine has influenced the style of cooking throughout Europe, and its chefs work in restaurants throughout the world.. The roots of modern haute cuisine lie in chefs like La Varenne (1615â€“1678) and the notable chef of Napoleon, Marie-Antoine Carême (1784â€“1833). These chefs developed a lighter style of food compared to the food of the Middle Ages.

Some people practice simple living by reducing consumption. By lowering expenditure on goods or services, the time spent earning money can be reduced. The time saved may be used to pursue other interests, or help others through volunteering. Some may use the extra free time to improve their quality of life, for example pursuing creative activities such as art and crafts.
